Sir:

For reasons discussed below, Appellant hereby requests rescheduling of the Oral Hearing date previously scheduled for April 26, 2007.

On April 24, 2007, Appellant's undersigned attorney received a telephone call from Ms. Lisa Beam of the Board and was told that a Notice of Hearing had been mailed by the Board on March 6, 2007 and that a hearing was scheduled for two days later on April 26, 2007. Upon reviewing Appellant's file for the patent application involved, it was determined that no Notice of Hearing was received and this was further confirmed by review with the Master Docket Administrator, Ms. Carol Mlynczyk, for Brooks Kushman P.C. as well as by review with the Administrative Assistant for the undersigned attorney, Ms. Susan Shepherd, who maintains his Individual Docket. Neither the Master Docket nor the Individual Docket showed that any such Notice of Hearing had been received.

I hereby certify that this paper, including all enclosures referred to herein, is being facsimile transmitted to the U.S. Patent & Trademark Office at the BPAI facsimile number (571) 273-0299.

After receiving the April 24, 2007 telephone call from Ms. Beam, the undersigned attorney on April 25, 2007 received a telephone call from Ms. Elenore Cook of the Board and told her that due to previously scheduled commitments and the foreign location of the Applicant and British patent agent through which the application is being handled, it was not possible to attend the hearing the following day as scheduled on April 26, 2007.

On May 2, 2007, the Board sent a facsimile copy of the March 6, 2007 Notice of Hearing, copy attached. The undersigned then called Ms. Cook of the Board who instructed him to file this request for rescheduling of the hearing.

For the above reasons, it is respectfully requested that the Notice of Hearing be rescheduled.

Respectfully submitted.

PETER ROBERT FLUX
